

AROUND the TOWNSHIP

Mrs. M. L. Fournier, who is a director of the birth and death department of Washington Township, is doing a fine piece of work this year in keeping the local population ahead of the death rate. Mrs. Fournier reports that so far this year there have been 70 births in the township and only 46 deaths. This is simply a continuance of her policy of last year in which there were 105 births and only 72 deaths. Mrs. Fournier says she has been reading all the recent statements of scientists about the falling birth rate in America and has decided that if it falls it won't be the township's fault.

When we were visiting the Reorganized Latter Day Saints encampment at Irvington a day or two ago, we passed a big Walnut tree on a street corner near their camp ground. The tree's branches hung low and fastened to one of the large leaves was a fine fountain pen with pencil attachment. Curious, we wondered if the tree and pen might be used as a place to hide notes by a pair of romantic youngsters, but we could discover no hidden billets doux. We left the pen on the tree.

Allen Walton, Centerville druggist, took his young son to his first movie the other night. Wrapped up in the picture, Walton forgot the boy for a few minutes. First thing he knew, the youngster was up on the balcony, leaning over and yelling "Yoo-hoo, dad!"

Sentiment in Centerville regarding incorporation appears pretty well divided. A number of the business men are for it; but many—chiefly those retailers who are afraid of high license fees—are against it. The Lions club, which is neither advocating it or opposing it, is doing a useful service by gathering data on costs and methods and presenting them to the voters.

Last week we said that Bill Helm was the contrariest, most eccentric bloke in the township. When we saw him after the paper was out, we expected him to slap us down, but he surprised us by being nice as pie. This proves that he is contrary.

1200 To Gather At Church Meet In Irvington

IRVINGTON.—Twelve hundred worshippers will gather Sunday at Irvington for the annual reunion of the Reorganized Latter Day Saints of the Northern California district.

This week tents were pitched at the camp ground here and plans made for the week's services and entertainment.

John F. Sheehy, district president and pastor of the Berkeley church, has charge of the program. Bishop Edward Burdick of Sacramento is in charge of the grounds and housing.

Principal church dignitary at the session will be Apostle E. J. Glazier, head of the church mission on the Pacific slope, who comes from Independence, Mo., as personal representative of Frederick M. Smith, president of the church.

Exhibitors Filling Up Booths For Township's Fair

STATE FAIR PREMIUMS TO BE BIGGER THIS YEAR

SACRAMENTO.—Increase by \$3,000 in premiums in the junior division of the California State Fair is expected to attract a greater number of boy and girl exhibitors at the California State Fair this year, Sept. 3 to 12.

Special days will be dedicated to the organizations of Future Farmers of America and 4-H club boys and girls. Junior division premiums, general awards, prizes and purses total \$154,000.

The farm machinery show will permit a comparison between implements 70 years ago and modern equipment.

At last week's session the board of directors was informed that the Siskiyou County Miners are planning to charter a special train to the fair.

Sept. 9 will be university of California Alumni day when former students of the university will assemble at the fair for a statewide home gathering.

CIVIL SERVICE EXAMINATION IS ANNOUNCED

NILES.—The United States Civil Service Commission has announced open competitive examinations for the following positions:

Senior educational analyst (tests and measurements), \$4500 a year, and educational analyst (tests and measurements), \$3800 a year, Extension Service, Office of Cooperative Extension Work, Department of Agriculture.

Warden and associate warden, \$3800 to \$6500 a year, U. S. Bureau of Prisons, Department of Justice. Principal safety promotion adviser, \$5,800 a year, Division of Labor Standards, Department of Labor.

Field representative, \$3500 a year, Division of Savings Bonds, Treasury Department.

Full information may be obtained from J. S. Cull, Secretary of the U. S. Civil Service Board of Examiners, at the post office in Niles.

CENTERVILLE.—The seventy-seven booths of the Washington township fair, to be held August 6, 7 and 8, are rapidly being contracted for by exhibitors, members of the Lions club announced this week.

At a directors' meeting Monday night, plans for the three-day program took definite shape.

Directors decided on a floor show, to be held at the high school on Friday night.

The program as it now is scheduled calls for opening of the fair at 1 p. m. Friday with display of the exhibits at the high school grounds, and the floor show in the evening.

Saturday will see additional entertainments and the coronation ball in the evening.

The big parade will be at 10 a. m. on Sunday. J. D. Adams of Centerville is busy lining up floats for the affair.

As a preliminary to the fair, the queen contest dance will be held on August 3.

Among the firms which have signed up for exhibits at the high school are Adams, F. E. Booth Co., Centerville Garage & Machine Shop, J. E. Pashote, Hansen Lumber Co., Hayward Ice Delivery, Innes Cloverdale Dairy, Japanese association, E. L. King, J. & F. Metal Works, Santos Bros., Sunrise Bakery, Chapel of the Palms, Jas. Graham Mfg. Co., Leslie and Morton Salt works, Standard & Rose Garage of Irvington, Central Chevrolet Co., Hayward Furniture Co., and International Tractor Co.

MRS. LEAL AND MRS. BROWN ATTEND S. P. R. S. I. MEET

WARM SPRINGS.—Mrs. Flossie Leal and Mrs. Rose Brown of Warm Springs Council of S. P. R. S. I. were among local delegates to the five-day annual convention of S. P. R. S. I. Councils of California at Hayward this week. The meeting opened on Sunday and closed yesterday, about 500 being in attendance at the Veterans Memorial Building.

Visitors registered at the Green Shutter Hotel, headquarters for the convention. Public initiation of new officers was held Sunday night in Memorial Hall. On Monday morning there was a procession from the building to All Saints Catholic Church where Archbishop John J. Mitty of San Francisco officiated at a solemn high mass. A reception in honor of the supreme officers, delegates and guests was held Monday night. On Tuesday night there was a banquet at the Alabam and on Wednesday night, a musical playlet, "Prince Manuel's Engagement" was given by 50 school children at the Bret Harte School auditorium. Public installation of new State officers took place last night.

KALLAS PLANS FORMAL OPENING FOR COCKTAIL LOUNGE

NILES.—Pete Kallas, well-known proprietor of the Columbia Grill, announces that his new cocktail lounge and bar are now ready for patronage by Township pleasure seekers. Pete declares he will have a formal opening on Saturday night, with an elaborate floor show consisting of a host of entertainers of the better type.

Pete has been at some pains and expense in the remodeling of his cocktail lounge so that it is not only more comfortable and tastefully decorated but now becomes an integral part of his restaurant. Mixed drinks and fine liquors will be served at all hours.

CHAMBER OF COMMERCE TO MEET TUESDAY

The Newark Junior Chamber of Commerce will meet next Tuesday night, states V. Tuchs, president.

BRIDGE TO FALL NEXT WEEK

NILES.—The old highway bridge south of Niles, will be destroyed during the next three weeks, Eaton & Smith officials announced Wednesday. Contractor in charge of the work will be Kiss & Co.

The bridge will be topped and broken up by blasting. The chunks of concrete will be buried in the bed of Alameda creek.

Destruction of the bridge will come as a climax to a long controversy in which residents of Niles attempted to prevent its removal.

Local people who wanted to save the structure, did not learn of plans for its removal until the contract had been signed by state authorities.

This fact proved an effective block to those pressing the fight.

Although several hundred dollars were spent in legal fees and although local delegations visited the county board of supervisors, the county officials declare themselves to be powerless to act in the matter.

APPLICANTS HAVE UNTIL AUGUST 3 FILE FOR NILES JOB

NILES.—Applicants for the position of Niles postmaster have until August 3 to hand in their applications, J. S. Cull, federal civil service secretary for this district, announced this week. Application blanks may be obtained from Cull at the Niles postoffice.

An announcement at the post-office states that the new postmaster may be selected under the terms of the president's order of July 20, 1936, and not under civil service rules. There will be no written examination.

NILES.—Mrs. R. R. Kingsley of Livermore, district deputy of the Rebekah Lodge, will pay an official visit to the Niles Lodge at the I. O. O. F. hall here tonight.

NEWARK TAKES ANOTHER GAME

By Scoop Pashote

NEWARK.—The Newark Merchants added another victory to their record Sunday when they defeated Oakland A. C. last Sunday by a score of 8 to 7. Newark won out in the ninth inning when Peter Rivers singled, Tony Rivers flew out in left field, Frank Mederios was thrown out at first, and on the play P. Rivers took second, and then Amaral got a single, and drove in the winning run. Clarence Soito drove in the first two runs of the game when he singled with two men on base. Soito and Lebon helped drive the other four runs in. Highland, the losing pitcher, hit a home run.

Frank Mederios allowed 11 hits for Newark while Derby allowed 9 hits in 5 innings, and Highland finished the game, allowing two hits.

The star hitters for Newark were Soito, Lebon and Frank Mederios, each getting two hits out of three tries. Lebon hit a double. "Lefty" Amaral finally got out of his batting slump and got two hits out of four tries. Tony Rivers got two hits out of five tries.

Boosting the Managers This Week
This week I will boost the managers of the Newark ball club

1. Joseph E. Pashote, who has managed the baseball team for five years, won the championship in 1933, and has been in two play-offs for the championship. His club has been in the Oakland Tribune tournament for two years, but this year they withdrew from the tournament.

2. Tony "Shiser" Martin, assistant manager, who has been assisting Mr. Pashote for the past year, has been doing a very fine job, so he may have the opportunity of managing the Newark ball club next year. He umpired a better game Sunday afternoon than he caught fish Sunday morning. Newark will play a team from Oakland at Newark Sunday for sure.

FIRE COMMISSIONERS PLAN TO APPEAL TO SUPERVISORS

IRVINGTON.—Irvington fire commissioners are planning to appeal to the Alameda county board of supervisors in the near future for aid in solving the difficulty which has developed over the statute governing organization of fire districts.

Local men believe that the supervisors have the power to find a way out of the difficulties presented by the law which has slowed up accumulation of funds for the local department.

NILES TO GET TRAFFIC BACK

NILES.—Main highway traffic will be re-routed back through the Niles business district early next week, say officials of Eaton & Smith, contractors in charge of the road work.

During the next few days the underpass connecting the town with Niles canyon at the old cannery will be completed and the traffic will be routed over it.

Traffic will continue through town from that time on until the old bridge is torn out and the underpass near Thane's corner are completed.

The entire job will not be finished until September.

SILVA RECEIVES APPOINTMENT TO HIGH LODGE OFFICE

CENTERVILLE.—Announcement that Tom Silva has been appointed grand district deputy for the Centerville grove of U.A.O.D. was made at a meeting of the grove Monday night.

Delegates from San Jose attended the meeting and invited local Druids to their annual barbecue at Alameda. A. E. Alameda was named chairman of a committee to plan an entry in the Washington township fair parade.

JAPANESE FACES NEW ACCUSATION INVOLVING CHECKS

NILES.—K. Iowasaki, sentenced to one to 14 years in San Quentin on a Santa Clara county bad check charge, appeared before Judge J. A. Silva and had his hearing continued to July 23 at 1:30 o'clock in order that the public defender might be present to represent him. He is alleged to have passed bad checks at the Pond Drug store and the Piecetto meat market in Irvington in May.

Fire Commission Mixup Becomes More Puzzling

CENTERVILLE.—Fire commissioners in all Township districts with the exception of Newark and Decoto have no legal status and, in effect, are holding office unlawfully.

This fact became obvious recently upon the investigation by a legislative committee of the present statute which now governs the organization of districts.

At a recent meeting of Southern Alameda County fire chiefs, plans were discussed for the reorganization of all fire districts in the Township except those of Decoto and Newark, which will organize under the old law.

The present situation first came to light several months ago when the district attorney's office ruled that under recent laws no purchases could be made by the fire districts except through the office of the county purchasing agent.

Firemen feel that this situation will hamper the efficiency of their organization by making all business transactions subject to excessive red tape.

To remedy conditions, a new bill was prepared under the sponsorship of the Alameda County Firemen's association and passed both houses of the last State Legislature. Failure of Governor Merriam to sign the bill, however, gave it an automatic veto and the fire dis-

WARM SPRINGS.—Plans were completed this week for the annual Holy Ghost fiesta of the supreme council of the I. D. E. S. lodge at the lodge headquarters in Warm Springs.

Thousands of persons are expected to attend the affair, which will be held July 31 and August 1.

The program will open on the evening of July 31 at 8 p. m. with a fireworks display.

Following the fireworks, dancing will be held at the lodge pavilion with the orchestra of Council No. 11 furnishing the music.

Feature of the dancing will be Chamarrita and other entertainments.

On Sunday, many dignitaries, queens from other fiestas and floats will participate in the annual coronation parade. The Centerville band will furnish the music.

At 10 a. m. Sunday Father Antonio Ragoga, Oakland pastor, will lead a service in Portuguese. Following will be the coronation with music by the choir from the Portuguese church of Oakland.

A great barbecue will be held at noon with sopas.

Dancing and other pastimes will fill the afternoon.

KNIGHTS OF PYTHIAS LIST ACTIVITIES AT REGULAR MEETING

CENTERVILLE.—A regular convention of Centerville Lodge Knights of Pythias was held Thursday, July 22. Coming events listed are a district convention of District 20 at Alameda Lodge tonight, and a convention of District 19 at Dirigo Lodge on Tuesday, July 27. Dirigo Lodge meets in Pythian Castle, 12th and Alice streets, Oakland. Grand Vice-Chancellor Wilbert Hamilton will be the speaker of the evening.

Centerville Lodge is planning a decorated car and drum corps for the Lions fair on Sunday morning, August 6th.

tricts here are in the same condition they were several months ago. Judge Allen G. Norris was retained to outline a course of action.

The districts involved include Alvarado, Niles, Centerville and Mission San Jose. Newark and Decoto were organized under prior statutes which permits election of commissioners by the people instead of appointment by the County Board of Supervisors. Ashland and Castro Valley are in the same predicament. At Irvington where a new department is being organized procedure has been tied up because of the uncertainty of the status of commissioners.

Chiefs of Washington Township were hosts at the meeting here with Frank Madruga, of Centerville, past president of the association, in charge. Assisting were Chiefs Roland Bendel of Decoto, Tony Alve of Niles, Fred Rogers of Centerville, Joe Corey of Irvington, and Assistant Chief Joe Fernandez of Mission San Jose.

Supervisor George Hellwig and A. Northrup, fire insurance men, were the speakers. Captain Dennis Casey, of Oakland, president, had charge of the business meeting, assisted by Secretary Karl Gosper. The entertainment program consisted of a motion picture showing the detrimental results of false fire alarms.

**WHEN BLOW-OUTS KILL OR
INJURE THOUSANDS, WHY
NOT GIVE YOUR
FAMILY GOLDEN PLY
BLOW-OUT
PROTECTION!**

IT'S WORTH the one minute it takes to read this because it may save your life. And here's why: At today's high speeds the heat generated inside your tires is terrific—as hot as boiling water. This heat causes rubber and fabric to separate. A tiny blister forms—grows bigger and BIGGER—until sooner or later, BANG! It's a blow-out! Thousands of people are killed or injured every year in blow-out accidents.

But now there is no reason why you should take this chance. Goodrich Silvertowns have an amazing new invention—the Life-Saver Golden Ply. This Golden Ply resists heat so that rubber and fabric do not separate—blisters do not form—thus high speed blow-outs are checked before they ever get a chance to cause trouble. Come in today and see us about Golden Ply blow-out protection. Goodrich Silvertowns actually cost less than other super-quality tires!

IMPROVEMENT CLUB SCHEDULES DANCE OF NEWARK

NEWARK.—The Newark Women's Improvement Club dance will be held on September 18th, members of the organization decided at their last meeting. Committee members in charge of the affair are Mrs. Ray Truscott, Violet Manley, Julia Ruschin, Norma Wilburn, Thelma Fuller.

IRVINGTON JUNIOR CHAMBER TO ENTER FAIR PARADE

IRVINGTON.—The Junior Chamber of Commerce at Irvington voted Monday night to enter a float in the third annual Washington Township Fair to be held at Centerville on August 6, 7, and 8. George Stannard, Edward L. Rose and Oliver Campos were appointed to make arrangements for the entry.

Dr. J. H. Durham was made an honorary member of the chamber and gave a short talk on the history of the town. At one time it was known both as Washington Corners and as Irvington while the post-office was officially listed as Irving. It was planned to give another dance before the end of the year. Oliver Campos and Joe Silveira were appointed as a committee of arrangements. Edward L. Rose won the attendance prize and President Wayne Day announced the next meeting for July 26.

FIVE HIGH SCHOOL GRADUATES TO ENTER UNIVERSITY IN FALL

CENTERVILLE.—Five graduates of the Washington Union High School of the class of 1937 will enter the University of California

when it opens next month. They are Bob Solon, Bob Kibby, Bob Coit, John Accinelli and Rosalie Harrold. Catherine Rathbone and Margaret Welles will enter San Jose State Teachers College and three girls will begin nursing courses. Nedra Hiller and Grayce Ura at the Highland hospital in Oakland and June Furtado at the Mt. Zion hospital in San Francisco.

TWO DRAW TERMS FOR VAGRANCY IN NILES COURT

NILES.—Suspicious behavior by Miguel Ayala, about 50, and Alfred Salazar, 18, and Fred Barnett, on the banks of Alameda creek resulted in their arrest this week by Deputy Sheriff J. M. Ritchie.

Ayala and Salazar pleaded guilty to vagrancy and were sentenced to five days in jail by Judge J. A. Silva. The younger boy was certified to juvenile court.

LEGION AUXILIARY TO INSTALL AUGUST THIRD

NILES.—The Auxiliary to Legion Post No. 195 will install officers on Aug. 3 at 8 p. m., in the Veterans Memorial building. Mrs. Berna Morton of Albany, district president, will be in charge of installation. The Albany unit installation team will appear on the program.

Mrs. Geneva Smith is in charge of refreshments.

LOCAL WOMAN AT OAKLAND MEET

Mary Duarte represented the local S. P. R. S. I. at the convention in Oakland last week.

ONLY ONE BID SUBMITTED FOR NEW HIGH SCHOOL BUS

CENTERVILLE.—Only one bid was submitted for the new bus at the Washington Union High School, according to a report from the board of trustees who met on Tuesday night. The Oakland White Truck Co. submitted a bid of \$6149. This bid, if the contract is O.K.'d by the District Attorney's office, will replace one of the old ones and will make a total of six. The new bus has a capacity of 59 as compared with 49 in the other five. It is equipped with the latest safety devices and is a cab-over-engine type.

One hundred and sixty-five Freshmen are expected to enroll on Aug. 30. Last year's graduating class numbered 106.

M. J. Overacker was re-elected president of the board and H. F. Harrold clerk.

ALVARADO SCHOOL GIRLS ORGANIZE NEW ORCHESTRA

ALVARADO.—Washington township's newest dance orchestra, composed of Alvarado Grammar School girls known as the "Top Hatters" are gaining recognition outside of their own home town and were booked this week for a program at Durant Park. At the last benefit affair they gave here they cleared enough to pay for their drums and they are planning another in the near future. Members of the orchestra are Wilma Martin, pianist; Victoria Marshall, drums; Hilda Pinto and Winifred Santos, saxophones and Marie Bernard, accordion.

JAIL SENTENCE RESULTS FROM AUTO ACCIDENT

NILES.—The erratic behavior of an automobile on the main highway near the Masonic Home Sunday aroused the interest of Highway Patrolman Capt. J. P. Frank. The car wove irregularly in and out of heavy traffic and finally pulled up against a culvert.

Capt. Frank arrested Ruel Martinez of Decoto, driver, for driving while drunk and brought him before Judge Silva Monday. On Martinez' plea of guilty, Judge Silva sentenced him to 30 days in jail.

ATTEND MOOSE MEETING

Mrs. Collins, Mrs. Dittman and Mrs. Bertolotti attended a meeting in Redwood City in honor of the Grand Regent of the Women of the Moose, Mrs. Eva Starkey of Washington, D. C., who is making an official tour of the state of California of the chapters of the Moose. The Loyol Order and Moose convention opens the 22nd to 25th at Sacramento at Hotel Senator. Mrs. Collins and Mrs. Bertolotti will attend from Newark and Mary Avery Manda Niece from San Jose. Mrs. Bertolotti is the northern California president of the Women of the Moose. Mrs. Collins is the San Jose chapter's nominee.

FAVORITE STARS BILLED FOR THEATRE

NILES.—Tonight and tomorrow, the double feature program at the Niles theatre will include Richard Dix in "The Devil Is Driving," and George O'Brien, dear to the hearts of Western story fans, in "Hollywood Cowboy".

Loretta Young and Tyrone Power share honors in "Cafe Metropole," which will be shown on Sunday. On the order of "Love Is News," it provides a combination of humor and romance, gives Loretta Young another chance to display a flare for comedy which she exhibited in the earlier picture, after years of playing straight types. "Wings Over Honolulu," on the same bill, deals with the stresses of the naval flying service and its effect on newlyweds, roles played by Wendy Barrie and Ray Milland.

Robert Taylor and Barbara Stanwyck, sweethearts in real life, are co-starred in "This Is My Affair," showing Wednesday and Thursday at the local theatre. Victor McLaglen plays an important part in this production.

NOW ON DISPLAY THE

Plus-Powered Kelvinator

FACT 1

● The new Kelvinator is Plus-Powered. It has as much as double the cooling capacity of other well-known refrigerators of equal size.

FACT 2

● The new Kelvinator runs only half as many minutes per day—during the rest of the time it maintains low temperatures using no current at all.

Only Kelvinator gives you all these advantages

BUILT-IN THERMOMETER... Kelvinator's plus power assures safe refrigeration temperature—always... The built-in thermometer proves this.

RUBBER GRIDS IN ALL ICE TRAYS... Kelvinator's plus power gives abundant reserve capacity to provide as much ice as you'll ever need.

CERTIFICATE OF LOW OPERATING COST... Kelvinator's plus power assures less running time each day... only Kelvinator gives you a Certificate of Low Cost of Operation.

5-YEAR PROTECTION PLAN... Kelvinator's plus power unit runs less time at slower speed—years of dependable service—certified with a Five-Year Protection Plan.

THESE are the two outstanding facts about the new plus-powered Kelvinator.

Their importance is recognized by many refrigerator owners who are now replacing their old equipment with the 1937 Kelvinator.

For they mean better cooling and faster freezing... many years more of service... greater money savings, day after day, year after year.

Yet Kelvinator costs no more. And it's easy to buy. See how small the weekly payments are, giving you years to pay. Why not let Kelvinator start saving money for you at once? Come in and see it today.

California, under
Act of Congress
March 3, 1879.Determined a Newspaper of General Circulation by Decree
of the Superior Court (Department 6), of Alameda County,
California.

A SUGGESTION

The entire Niles community should be interested in every detail of the construction of its new school building. There is a possibility that the structure will be built out near the nursery tract instead of on its present grounds. If so, it will be in plain view of the traffic along the Creek road to Alvarado, which, some day, after completion of the East Bayshore highway, will be a main traffic artery.

But whether the school is built on a new site or on its present one, this newspaper believes that special attention should be given to its exterior appearance, so that it will prove a good advertisement for the town.

We suggest that the school board ask the architect to design a building of the white California-Spanish type. Most of Niles' new homes are this type of architecture and the Veterans' Memorial building is likewise designed. If this plan is followed for the school building, it will add immeasurably to the attractiveness of the town and aid in attracting new residents.

NEW BRIDGE NEEDED

The county and the state should immediately replace the old "first bridge" in Niles canyon.

The structure has become so weak that truck load limits now seriously hamper the operation of local industries. Local people should aid the California Pottery Co. in exerting pressure upon proper authorities to overcome these handicaps.

Opposition to the so-called "court reform bill" seems to be growing in the senate. This is one of the most heartening developments to those who believe in the democratic principle.

The heartening thing about it is not that it may mean defeat for the president or victory for the check and balance system but that it shows a healthy percentage of the people's representatives are willing to stand on their personal convictions against political pressure of the most compelling sort.

Congress at last seems to be developing some spine of its own, after a period of subservience to the executive. This means that there is still hope for democracy in a world which has nearly forgotten what democracy means.

When the C. I. O. has won its battle—when it represents the workers of all industries and is in a position to dictate to all employers—what then? What will happen to the employers?

Here's another question: Why do men become employers?

We believe that most young men "go into business for themselves", as the expression goes, primarily because they want more freedom of action and security than they can have while working for somebody else. The man who frets at having to do things the boss's way, who worries for fear his employer will fire him over a difference of opinion or because he is growing old, is the man who goes into business for himself.

In other words, freedom of action and economic security are the prime motives of men who become employers.

Complete control of industry by labor may rob the employer class of those advantages. There will be no incentive to boss and yet bosses will be as necessary as before.

Roosevelt's insistence on supreme court packing, in spite of the political upheaval it is causing among leading Democrats and in spite of the lukewarm attitude of his most enthusiastic supporters, can indicate but one thing: he believes his popularity with the rank and file of American citizens is so great that he can do no wrong in their eyes.

In this he may be right; but if so, he would have done better for himself to have given his friends of the rank and file a chance to help him. A constitutional amendment would have done the trick.

THEY OF THE GIFTED PENS

Success is measured in the marts of trade,
By standards both of silver and of gold;
And it is measured by the progress made
By men who soar—and many titles hold.

But there are those who know not Midas' touch,
Who toil with neither jealousy or greed;
Content to do their little or their much,
Possessed with gift of words, and soul that's freed.

Who but a poet—humble, without fame,
May know the ecstasy of dreams fulfilled?
Who but a poet with an inner flame—
May be inspired—his being pulsed and thrilled?

Who has so much to give, so much untold,
Who knows mankind, life—and its mystery?
Who lends his magic touch as tales unfold—
With faith—enduring immortality?

They of the gifted pens need not possess
Great wealth of gold—or lands, or such excess;
The poet, tho he labors—

penniless,
May know the last, full measure of Success!

DUTRAS HAVE NEW BABY

Mr. and Mrs. Bill Dutra are the proud parents of an eight-pound, six ounce son born this week at a hospital in San Jose.

ANTS, it has been calculated, are capable of lifting and carrying for long distances, ten to a hundred times their own weight. If humans were as strong in comparison, a man weighing 150 pounds would be able to lift and carry a large building.

While ants are quite interesting, they are awful pests if they get into the sugar bowl, etc. If you are troubled by ants see us for ant control.

**SUCCESS SEEN
FOR PRUNE PLAN**

SAN FRANCISCO.—Success for the proposed prune marketing plan, under the Agricultural Prorate Act was seen today with the announcement by the California Prune Industry committee that all grower-groups in Santa Clara county are solidly behind the latest move to stabilize the industry.

To the 13,000 owners and operators of commercial prune orchards in 39 counties, now signing petitions to make the Prorate act apply to prunes for the purpose of eliminating off-grades and diverting them to by-product use, this was cheering news.

"As Santa Clara county goes, so will all other prune producing districts," leaders said.

Growers who sell their prunes as fresh prunes when the market affords the opportunity, also are being importuned to sign the petitions so as to increase the overwhelming majority in favor of the Prorate act on prunes.

Business men, bankers and spokesmen for the State Chamber of Commerce, local chambers of

commerce, local boards, and other business and professional groups, in all prune-producing counties, are lending their support to the prune-prorate campaign.

Leaders in the Farm Bureau, Grange, Farmers' Union, and California Prune and Apricot Growers' association are addressing mass meetings, heading up county committees, and taking charge of the campaign to obtain 13,000 signatures on the petitions applying for application of the Prorate act on prunes.

"For the first time in the history of California's prune industry, all groups throughout the state are united behind this plan to place the industry under the control of growers, and thereby offer the consuming world a product of which the state can be proud," G. H. Hecke, chairman, California Industry Prune Committee, said today.

The campaign to obtain the necessary number of petitioners to make the Prorate act effective promises to be the fastest in the agricultural history of California.

Reason for this is the speed needed to set up administrative and operating machinery, prior to harvest time, and particularly to complete negotiations with the federal government for purchasing a substantial block of standard prune tonnage for distribution to the needy and unemployed, thus raising general price levels for prunes sold through regular trade channels.

**PAIR FALLS INTO
CANYON FROM
LOCAL BRIDGE**

NILES.—When her daughter lost her balance and teetered on the edge of one of the bridges in Niles canyon the other day, Mrs. Frances Trathen of Grass Valley grabbed her and attempted to save her. Result: both women tumbled 10 feet and were taken to Hayward hospital. The daughter, Mrs. Mildred Green, was uninjured. The mother suffered severe head injuries.

IRVINGTON.—Mrs. Mary Beardsley is busy these days in rehabilitating the lawn in the city park.

She has evolved the theory that the right kind of grass seed, properly applied, will produce a better lawn with less expense for water.

**PETER PAYS
FOR FIST FIGHT**

IRVINGTON.—Leslie E. Peters was found guilty of battery in Centerville Justice Court last week as a result of a fist fight which took place at the Reid Brothers plant in Irvington recently.

C. M. Stark, attorney for Reid Brothers, was the complaining witness. He urged the judge to make Peters sentence as light as possible. That the row was about was not made very clear. However, everybody in court agreed that there had been a row. The story told the court by witnesses indicated that Peters objected strenuously at the appearance of Stark in a room where proxies were being counted during a Reid Brothers directors' meeting. Witness further stated that during the argument Stark threatened Peters with a stool. It was then that Peters "defended himself" by socking Stark.

What threatened to develop into another argument occurred in the court when Mrs. Nellie L. Burton, a teller in charge of counting the proxies and a witness of the affray, resented Deputy District Attorney Stanley Smallwood's reference to her in court as "one of the gang."

Upon hearing this comment Mrs. Burton rose in her seat and said, "I don't want that man to call me a gangster." Other witnesses in the case included George H. Lundy, plant detective who testified he

had been hired to keep Peters away from certain Reid Brothers property "even if he had to beat him up." Peters told the court that his presence at the stockholders meeting was justified by the fact that he held a large number of proxies for Reid Brothers stockholders.

Peters paid his fine.

**MANY ATTEND
Y. L. I. DOINGS
IN SAN FRANCISCO**

NEWARK.—A very large number of members of the Y. L. I. Guadalupe of Niles, No. 74, attended the parade and opening session of the Y. L. I. and the Y. M. I. in San Francisco Sunday, followed by a mass at the Saint Mary's cathedral in San Francisco.

The parade was very beautiful and colorful and the Y. L. I. of Niles wore uniforms with white and coral effect. Bugle corps were there from Oregon, Washington, Utah and Hawaii. The bay district was well represented. The Niles institute walked away with the marching unit feature which was composed of fourteen members of the Niles Y. L. I. Those who participated in the parade were: Florence Martinelli, Madeline Santos, president; Mary Lucas Nunes, Cortense Avilla, Lucille Alves, Marion Zwissig, Elizabeth and Mary Azevedo, Alice Santos, Mary Pierce, Mary Teixeira, Josephine Maggiorio, Mary Joseph and Olive Silva.

The delegates of the convention are Madeline Santos and Mary

Lucas Nunes, who will stay for the entire session from Sunday to Friday.

The marching unit from Niles Y. L. I. will march in the Township fair in Centerville in August.

**MRS. LANOUE'S
MOTHER VISITING**

Mrs. Lanoue of North Adams, Mass., is visiting her daughter, Rose, at the home of Mr. and Mrs. Owen Swinson, Centerville. Over the week-end they took Mrs. Lanoue to the Oakland airbase, around San Francisco and over the Bay bridges.

**VISIT REDWOOD
CITY MEETING**

Mrs. Lena Bartolotti, Mrs. Emma Collins and Mrs. Elizabeth Dittman attended the meeting of the Women of the Moose at Redwood City last week. It was the occasion of the official visit of the grand senior regent. The meeting followed a dinner.
